

# Engage your people, Increase performance

officevibe

# When people grow, business grows.

Unlock employee engagement and continuous performance management, all with one platform.

## Employee Engagement

Understand your teams  
in real time

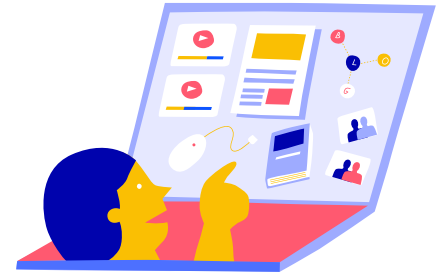

Find out how your teams really feel with simple, 2-minute Pulse Surveys that reveal which Key Metrics of Employee Engagement need your attention. Plus, participate in anonymous, 1-on-1 chat with team members to dig deeper on key issues.

## Performance Management

Give your people a stake in  
their own development

Align team goals with individual goals and encourage the right mindsets during meaningful, regular 1-on-1s. Build your 1-on-1 agendas in Officevibe with AI-driven, neuroscience-backed topic recommendations that help guide your conversations.

## Learning

Take managerial skills to  
the next level

Tap into actionable content created by our in-house experts and the most trusted sources in HR. Search for topics and skills you want to tackle right away, or simply wait to receive content tailored to your lowest Metrics of Engagement every week.
